

Maximising the Impact of TAs

Our new [online TA programme](#) consists of 8 sessions designed to develop TA expertise and confidence in the classroom, accessible either by individuals or as a collaborative group INSET session. Each module has been carefully recorded by VNET Associates, Ruth McGlone and Emma Adcock, to help staff build confidence, master practical classroom strategies, and refine their day-to-day practice. Drawing on their extensive leadership experience, Ruth and Emma deliver clear, actionable insights that empower teaching assistants to make an immediate, positive impact on student engagement and progress.

Modules include:

- Roles and Responsibilities
- Behaviour Management
- Least Help First
- 1:1 Readers
- Handwriting
- Sentence Construction
- CPA in Maths
- Fluency in Maths

Each module contains a video tutorial, an interactive quiz, and supporting resources where appropriate, allowing personal learning to turn instantly into professional practice.

How do we take part?

- Whole school access – all your TAs can access the course
- Use the training to suit you, either in groups or individually
- Online access anytime
- VNET Certificate issued on completion of all modules

Member price: £350+VAT per school with access for one year*
