VNET EDUCATION CIC

Delivering Quality First Teaching consistently across your school means ensuring every teacher has the support and opportunity to strengthen their practice. This four-part series focuses on the cornerstones of effective teaching, giving staff the time, tools and practical strategies to revisit, refine, and embed the skills that make the greatest difference in the classroom.

- Making every question count
- Adaptive teaching in action
- Assessment in the flow of teaching
- Celebrating impact and planning forward.

This course is a great opportunity for your staff who need to improve their practice and to sustain professional growth through evidenced based CPD, collaboration, and accountability.

Dates: Four in person sessions running from Thursday 7 January 2027 to Thursday 25 February 2027
