PROFESSIONAL COMMUNITY

All the professional communities will:

- Be led by practising school leaders who will give a short input to each session
- Be underpinned by research and driven by the needs of each community
- Include updates on developments and intelligence from Ofsted, EEF, teaching school hubs and national experts
- Give subject leaders the opportunity to collaborate with other leaders on shared school improvement priorities
- As well as five Zoom sessions, will include one practical face-to-face sessions a year
- Be discussion based and focus on a topic pre-agreed by the group
- Include professional reading linked to the focus of each session.

Cost: £150 per delegate per community or £550 for all 4!

Look out for our projects starting this term!

Including two DfE and The Julian Teaching School Hub approved projects: 'Evaluating your curriculum' and 'Securing success in KS2 writing'

Plus Securing success in KS2 writing is FREE for VNET members too!
