

Great Teaching in a Knowledge-led Curriculum, Wednesday 7 February 2024, 1.00pm - 4.00pm, Glen Lodge, Bawburgh

Is delivering a knowledge-led curriculum having an impact on teaching practice in your school? As a senior or middle leader, are you clear on how the teaching is affecting the impact of that curriculum?

This session is designed to help senior and middle leaders who are working to improve classroom practice to discuss what 'good teaching' should look like and what it means in relation to delivering a knowledge-led curriculum. Led by our Associate and Ex-HMI Maria Curry the afternoon will be held in person at Glen Lodge and costs £135+VAT or 2 credits per person.

Peer Review – Thursday 18 January 2024, 9.00am - 1.00pm, The Enterprise Centre, UEA

Extra spaces available due to high demand! Over the past few years, although the benefits are known, networking and sharing good practice amongst local and wider networks has been lower in priority. With the aim of re-growing opportunities for this beneficial approach, the VNET Peer Review network has been relaunched. We aim to reinforce Peer Review as a strategy for organisational and systemic improvement, complementing other approaches schools may use. The January cohort will review 'Personal Development' over the Spring term. The group is now limited to 16 schools and is free to members. A training session will establish a framework for the peer review process.
