

We invite you to our termly Governor Forum on Thursday 23 November. We are delighted that James Wilson, Director of Sufficiency, Planning and Education Strategy from the Childrens' Services Senior Leadership team at Norfolk County Council will be joining us. James will give us an overview of the findings of the recent consultation that his team have undertaken across the county. It will be a great opportunity for governors to get an insight into the Flourish strategy and to have a Q&A session with James.

This virtual session is free to all governing bodies of our member schools!
