

Lessons from Cleverlands Conference, Thursday 1 February 2024, 8.30am - 3.00pm, The Kings Centre, Norwich

Lucy Crehan, author of 'Cleverlands' joins us to share a new perspective on what's possible in education. Lucy's research took her from Finland and Japan to Canada, Singapore and Shanghai, examining both guiding philosophies and practical strategies for high performance.

Lucy's keynote will be followed by a panel discussion with Norfolk heads, sharing their experience of how aspiration affects outcomes in their schools. This will be followed by a practical workshop where Lucy will present three strategies that your school can implement around curriculum design, student support, and teacher collaboration. This event is in person at The Kings Centre and each member school has two free places.

Basic Coaching – By popular demand we are running another cohort!

First session, Thursday 2 May, 9.00am - 11.00am

This course will teach you how to become a certified coach using the BASIC method. It is a powerful way to structure coaching conversations and to develop the clarity you need to coach with confidence. (The BASIC method was developed by Andy Buck, author of Leadership Matters, and is the preferred method of coaching for some of the latest National Professional Qualification providers.) The five face-to-face sessions teach the techniques and give opportunities to practice the skills. *Delegates tell us that they have found the sessions practical, insightful and powerful enough to change their practice right from the outset.*

This series is held in person at Centrum, Norwich Research Park and costs £275+VAT or 3 credits per person.

Great Teaching – Cognitive Science and Memory, Wednesday 17 January 2024, 1.00pm - 4.00pm, Glen Lodge, Bawburgh

Would you benefit from a refresher in pedagogy? Do you want to revisit the delivery of teaching in your classrooms? Join Dr Niki Kaiser and Rachael Wilson from the Norfolk Research School who will be running this session to support you to develop research-informed approaches to help your pupils learn and remember more. We'll move beyond learning as simply remembering facts for longer, and reflect on how we can encourage deeper thinking and meaning making. This session is in person at Glen Lodge and costs £135+VAT or 2 credits per person.

Mixed Age Planning – Tuesday 23 January 2024, 9.30am - 12.30pm, Virtual

Does your school have mixed age classes? Join Emma Turner for a morning of training outlining the core principles and considerations for planning the primary curriculum in a mixed age setting. The session will address key aspects of sequencing, planning, assessment and primary curriculum design. Emma will provide a comprehensive overview of how to ensure mixed age curriculum planning is both manageable, impactful and rooted in both common sense and best practice. This session is virtual and costs £125+VAT or 2 credits per person.
