

Are you getting the most out of your funding for your SEND pupils? Do you understand the SEND law?

Understanding SEND law is vital to ensuring your SEND children and families receive all they need to make progress and thrive. If you are working with children with additional needs and they are reliant on receiving effective additional provision and support, this training is a must.

Learning outcomes

- To gain an understanding of what SEND myths are and why they are an issue
- To have a working understanding of the main aspects of SEND law on funding and EHCP process as it applies in England
- To leave with the confidence and insight to discuss these aspects and challenge LA/Professionals where appropriate
- To gain the knowledge and references to inform work done by parents professionals.

Throughout the session Garry will share a wealth of knowledge about how SEND law can support schools, parents, children and families in ascertaining appropriate levels of funding and provisions for the children and young people you work with.
