

Join us at the leadership forum next week to find out more about the changes to ITT – tickets now available, apologies for the previous technical issue!

**Did you know from September 2024 there will be changes to how initial teaching training works?**

At our leadership forum this spring we will be joined by Susi Waters, ITT Strategic lead and Operations Manager at The Julian Teaching School Hub and Norfolk Research School to discuss the new ITT rules and what it might mean for schools. As a teaching school hub, the Julian TSH is required to partner with an accredited ITT provider and play a full role in delivering ITT. In this session we will talk about what all this means for schools; the benefits of getting involved; and we'll answer any questions you might have. This event is virtual and is free to all members.

**Audience: Headteachers and Senior Leaders**

**Date: Wednesday 14 February 2024**

**Time: 10.00 - 11.30am**

**Venue: Virtual**

**Member price: Free – Tickets now available!**
